We provide an excellent catered package consisting of continental breakfast, afternoon tea with home-made cakes or scones, followed by a 3-course evening meal with wine and coffee. Packed lunches upon request.

There is ample storage/drying for skis, boots, bikes, canoes and there is also plenty of parking spaces just next to our chalet. The lounge has a large screen tv (Sky) and a wide range of dvds and there's a separate games room to suit different needs. To ensure the smooth running of your holiday, we will be very happy to help with equipment hire (skis/bikes/kayaks) lift passes and ski lessons as well as first day ski-guiding
