
Chalet la Mousiere, France - ST35

Posted by admin - 2008/07/16 20:45

Chalet la Moussière is a 200 year old Savoyard chalet set in the old village square of the popular village of St Jean d'Aulps

The chalet offers en-suite accommodation with a personal service second to none that you would expect from an owner run chalet.

We see food as being a very important aspect of your catered chalet holiday and we take care to ensure our guests enjoy the leisurely, often lively meal
